

At J. Sargeant Reynolds Community College, we prepare you to take advantage of **opportunities**, both great and small, that may present themselves to you. At the same time, Reynolds provides the training and experience you need to create your own **opportunities**. Research shows that training and education leads to increased earnings, better job prospects and an improved quality of life. The experiences you will have at Reynolds will help prepare you to meet new challenges and give you the tools to create and respond to opportunities. In short, your education at Reynolds will be an education for life—a better life.

You'll have the **opportunity** to earn a degree or certificate, launch a new career, prepare for a four-year college or university, or update your skills through our workforce training programs. All of this in a dynamic environment where you'll receive personal attention from caring faculty and staff and a quality education that is comprehensive, innovative, accessible, and affordable.

**Your dreams are closer than
you think at Reynolds...
The Opportunity College!**
