JSRCC to host “Science Night”

Richmond, Va. (March 31, 2010) – The Sixth Annual J. Sargeant Reynolds Community College Science Night will be held on Wednesday, April 7th in the Gallery, Room 101 of Burnette Hall on the College’s Parham Road Campus located at 1651 East Parham Road from 7:00 p.m. – 9:00 p.m.

The program will include the following presentations:

- “Myth Busting Relativity” by Professor of Physics John Ochab.
- “Columbian Mammoths at Hot Springs, South Dakota” by Associate Professor of Geology David Walz.
- “Emerging Diseases” by Associate Professor of Biology Linda Lawrence.

“Professor Walz’s presentation is going to be a fabulous opportunity for nature and science buffs,” said Roland Moore, JSRCC Dean of Mathematics & Science. “Plus, the other two presentations will be really interesting sessions for anyone who enjoys science, health or just wants to hear what is new in the field.”

Each topic will cover about 20 minutes, followed by a question and answer session. The event is free and open to the public. For additional information, visit www.reynolds.edu or call 804.523-5374.

Serving over 19,000 students annually, J. Sargeant Reynolds Community College is the youngest and third largest of 23 community colleges in Virginia. The College operates three campuses serving residents in the City of Richmond and the counties of Henrico, Hanover, Goochland, Powhatan and Louisa.
