

ANATOMY AND PHYSIOLOGY INSTRUCTORS
(PART-TIME)

The College is seeking adjunct instructors to teach day and evening classes in Anatomy and Physiology.

QUALIFICATIONS REQUIRED: Masters degree in Anatomy and Physiology; or Masters degree with 18 graduate semester hours in Anatomy and Physiology. The selected candidate must be able to successfully pass the college's pre-employment security screening.

QUALIFICATIONS PREFERRED: Related occupational experience, or teaching experience in one or more college level courses including developmental, occupational-technical, and university-college transfer, or high school Anatomy and Physiology teaching experience. Wide range of coursework and/or teaching experience throughout Anatomy and Physiology subject area. Must have the ability to employ multiple teaching strategies to create student-centered classrooms. Demonstrated ability to incorporate technology routinely into instructional and faculty responsibilities. Demonstrated ability to work with students from diverse backgrounds; strong written and oral communication skills; and evidence of experience with student advising.

Salary commensurate with the education and experience of the applicant.
