MATHEMATICS INSTRUCTORS
(PART-TIME)

The College is seeking adjunct instructors to teach day and evening classes in Mathematics on the Parham Road and Downtown campuses for the Fall semester.

QUALIFICATIONS REQUIRED: Master's degree in Mathematics; or Master's degree with 18 graduate semester hours in Mathematics. The selected candidate must be able to successfully pass the College's pre-employment security screening.

QUALIFICATIONS PREFERRED: Related occupational experience, or teaching experience in one or more college level courses including developmental, occupational-technical, and university-college transfer or high school mathematics teaching experience. Wide range of coursework and/or teaching experience throughout mathematical subject area. Must have ability to employ multiple teaching strategies to create student-centered classrooms. Demonstrated ability to incorporate technology routinely into instructional and faculty responsibilities. Demonstrated ability to work with students from diverse backgrounds; strong written and oral communication skills; and evidence of experience with student advising.

Salary commensurate with the education and experience of the applicant.

For further information please contact Julia Woodbury in the School of Mathematics and Science at (804) 523-5513 or JWoodbury@reynolds.edu.

Please send completed Commonwealth of Virginia employment application, resume, official academic transcripts, and three current letters of recommendation to:
