

J. Sargeant Reynolds
Community College

Microsoft® | IT Academy Program

Microsoft | IT Academy Program

Through the Microsoft IT Academy Program, J. Sargeant Reynolds Community College will work to provide students of all ages with the skills they need to achieve their academic goals, help them pass certification tests, and to pursue an information technology (IT) career.

U.S. Department of Labor

- “Computer support specialists and systems administrators are projected to be among the fastest growing occupations over the 2002-12 period.”
- <http://www.bls.gov/oco/ocos268.htm>

Microsoft | IT Academy Program

- Students will enroll in courses taught by Microsoft Certified Trainers (MCTs) or Microsoft Certified Professionals (MCPs)

Benefits of a Microsoft IT Academy Membership

- Faculty training and support is provided since the IT Academy requires faculty members to be certified in the course they teach.
- A member only website is available for faculty and students.

Benefits of a Microsoft IT Academy Membership

- TechNet Plus includes beta products, 120-day evaluation versions of server products, Knowledge Base articles, service packs, resource kits, and online technical training seminars.
- Instructional Lab licensing, of software, is provided for the student and professor to use for instructional purposes in a lab or classroom only.

Computer Equipment

- Student's Lab Equipment
 - IBM CPUs
 - Intel Pentium IV Processors
 - 2.8 GHz
 - 512 MB Memory
 - Removable 80 GB SATA Hard Drives
 - IBM Flat Panel Monitors
