**Reynolds fall semester open registration and new student orientation sessions begin in June**

**Richmond, Va. (June 13, 2016)** – Reynolds Community College open registration for the 2016 fall semester starts June 13. Through the start of classes on August 22, students can register 24 hours per day online by visiting [www.reynolds.edu](http://www.reynolds.edu). Students can also register in-person in Enrollment Services located on each campus from June 13 to August 12 and August 15 to 20.

Reynolds will also host a number of new student orientation sessions in June, July and August for students who will be starting college in the fall.

The program for new students will focus on advising and will allow students to register for classes. New students are strongly encouraged to participate in an orientation session to be properly advised - studies show that students who participate in orientation sessions have a better overall college experience.

To view the orientation dates and times and to sign up, visit [www.reynolds.edu/orientation](http://www.reynolds.edu/orientation) or call Reynolds at (804) 371-3000.
