Professor Cherian

My ambition to teach started when I was a student at Reynolds. Graduating from Reynolds opened up a path that led to a new career and a bright future.

As a respiratory therapy instructor, my goal is to inspire students to do meaningful work — to be the kind of person who wants to help people get well and stay well.
Apply online at reynolds.edu and receive your Empl ID (student ID) and username. Save this information! You will need both to log on to your MyREYNOLDS account.

Apply for Financial Aid. Complete the Free Application for Federal Student Aid (FAFSA) to ensure it is received on time. Use the Reynolds Federal School code: 003759. Priority deadline for spring semester is September 15 and for fall semester is April 15. Visit reynolds.edu/financialaid.

If you receive financial aid, apply each year.

Apply online for a Reynolds scholarship between December and March 1. There is one application for all available scholarships. Visit reynolds.edu/scholarships.

Log on to MyREYNOLDS at reynolds.edu within 24 hours of applying. Or, your password will expire and you’ll have to call (804) 371-3000 to reset. Use your username to set up your account. Do not skip your security questions!

Time-sensitive information is sent to your Reynolds email account and online Student Center. It’s important to check these often.

Get Placed. You may be eligible to waive the placement test. Submit your official transcripts and/or test scores. (Transcripts include college, GED, and high school. Test scores include ACT, AP, CLEP, GED, IB, and SAT.) You may bring these in an officially sealed envelope to any Enrollment Services location at one of our three campuses. Or mail to: Reynolds Community College, Admissions & Records, P.O. Box 85622, Richmond, VA 23285. Visit www.reynolds.edu/vptwaiver.

If you are required to take the placement test, take it seriously. The placement test determines what, if any, developmental courses you need first. Developmental courses prepare you for college-level math and English. Prepare in advance and visit reynolds.edu/testprep.

New students must complete Step 3 before starting Step 4.
Prepare for Class!

View your schedule online in MyREYNOLDS. You will need it to get your Reynolds ID to purchase your books if using financial aid. Visit reynolds.edu/bookstore. Attend class in person or online.

Use the tools in MyREYNOLDS to track your progress and graduate on time. Learn how to use your online student planner and advising report. For video tutorials, visit reynolds.edu/track.

4. Get Advised

New students must complete the required two-step orientation both online and on-campus. Sign up at reynolds.edu/orientation.

Returning students get advised by meeting with an advisor before registering for class.

Students with 0-15 credits, see Enrollment Services for advising. Students with 16 or more credits, see your academic program advisor. To find your advisor, visit reynolds.edu/advising.

If you receive financial aid, you must apply each year. See step 1.

5. Register & Pay

Register and create your class schedule by logging on to MyREYNOLDS. If you register early, you are more likely to get the class you need and schedule you want.

Pay for your class on time. For the most current tuition and payment due dates, visit reynolds.edu/tuition. Pay online through MyREYNOLDS or in-person at any campus Business Office.

Log on to MyREYNOLDS to check your financial aid award status. For information about payment plans, refunds, or paying with a scholarship, savings plan, or other third-party sponsor, visit reynolds.edu/businessoffice.

They offer online registration, customer support, and courses delivered by faculty with related industry experience and expertise.

CCWA works closely with Reynolds to serve students with an alternative path to the workforce in weeks or months, including many industry certifications in transportation and logistics, construction and trades, health care and manufacturing. Many of these programs are supported with tuition assistance at low cost or no cost. Many of the programs also offer career coaching and job connections.

GET PLACED BY USING A MULTIPLE MEASURES WAIVER
www.reynolds.edu/vptwaiver

Placement tests are no longer the only way we will assess a student’s readiness for college-level English and mathematics. Those who will graduate from high school this year or who have graduated within the past five years may present any one of the following along with the college application: High School Transcript, SAT Score, ACT Score, and GED Score.

How it Works for Math
You are ready for college-level math if you have:

- A High School GPA of 3.0 +
- Completed an Algebra Intensive Course above Algebra II*

OR

- An SAT Math score of 530 +
- An ACT Math score of 22 +

How it Works for English
You are ready for college-level English if you have:

- A High School GPA of 3.0 +
- An SAT ERW score of 480+

OR

- An ACT English & Reading score of 18+

If you have a GPA of 2.7-2.9, there are still options available to you. Please see an advisor for further evaluation. Most Career Studies Certificate programs do not require placement criteria.

You may also be able to waive the placement tests with previous college credit or qualifying AP or IB scores. Present college transcripts and/or official AP or IB score reports to Enrollment Services for evaluation.

Dual Enrollment students are not eligible for placement using Multiple Measures.

GET PLACED BY TAKING THE PLACEMENT TESTS
www.reynolds.edu/testprep

Placement tests determine what, if any, developmental courses you need first. Developmental courses prepare you for college-level math and English. If you are required to take placement tests, take them seriously. Prepare in advance by taking practice tests available at www.reynolds.edu/testprep.

*Algebra Intensive Courses above Algebra II: Trigonometry, Math Analysis, Pre-Calculus, Calculus, and Algebra III.
ACADEMIC ADVISING | reynolds.edu/advising

New Student Advising
First-time students, new to Reynolds, planning to enroll in courses will receive academic advising through a required new student orientation (SOAR). This orientation will prepare students for a successful start of the first semester. To schedule your orientation, please visit reynolds.edu/orientation.

Once a student has completed orientation, future advising sessions will occur with either a Student Affairs/Enrollment Services advisor or an assigned faculty advisor, depending on the student’s program of study.

First-Year Advising (0-15 credit hours)
Students with 0-15 credits will receive an email from FirstYearAdvising@Reynolds.edu early in their first semester. This email will list advisors in the student’s program of study. Schedule an appointment with one of your program advisors. It is important to schedule your appointment as soon as possible once you receive that email communication. This will ensure you get an appointment that works with your schedule and will prepare you to register for classes once registration opens.

Program Advising
Students with 16 or more credit hours should schedule an appointment at least once a semester with their assigned faculty advisor for program guidance and to prepare for registration. This advisor is listed in your MyREYNOLDS account.

Navigate is a new tool available for students in MyREYNOLDS. Students can use it to help guide their academic and career path after applying to Reynolds. Research your own program of study and career exploration through an interactive questionnaire and real-time career data. It has useful functions including the ability to set up important reminders through text notifications. Students with 0-15 credits are able to set up advising appointments through the calendar scheduling feature.

CAREER & TRANSFER ADVISING | www.reynolds.edu/career

In addition to academic program advising, Reynolds provides career and transfer advising for students who may need assistance with career exploration and/or intend to transfer to a four-year college or university. Career & Transfer advisors are available to assist students with the development of specific academic plans that will easily transfer to the institution(s) of their choice. Make an appointment.

STUDENT ACCOMMODATIONS

Students with disabilities may contact the Office of Accommodations. Deaf or hard of hearing students may use the 711 Relay system with any Reynolds phone number.

Professor Sea

As a team, we can weigh our options, analyze our goals, create a map for a road to success, measure our outcomes, evaluate our plans, calculate any changes, and function in a world full of unknowns.
The following tables show the respective plan’s contact number for each campus location. In the campus location columns, **Complete** indicates that the plan’s certificate or degree can be completed at that campus. **Courses** indicates that one or more courses for the plan are offered at that campus.

Some **Online** courses may require proctored exams, on-campus labs, clinicals, or other special on-campus meetings. For information on Reynolds Online, visit reynolds.edu/online or call (804) 523-5612 or (800) 711-1628 (Virginia only).

Certificates or degrees listed below in **RED** indicate transfer degree and certificate programs. Area code 804 for all phone numbers.

**DTC** Downtown Campus  **PRC** Parham Road Campus  **GC** Goochland Campus
