

2026-2027 LOAN DISCHARGE STATEMENT

The National Student Loan Data System (NSLDS) indicated that you have one or more federal student loans that have been either totally or conditionally discharged because of a total and permanent disability. A total and permanent disability is a condition in which an individual is unable to work and earn money because of an injury or illness that is expected to continue indefinitely, or result in death.

I wish to be considered for federal grants only. By signing this form, I understand that I will only be considered for federal grants and not federal student loans.

I want to be considered for federal grants and federal student loans.

By signing this form, I confirm the following:

1. I have attached a primary physician's certifying statement of my ability to secure gainful employment.
2. I acknowledge that by requesting new federal student loan(s), my previously conditionally discharged loan(s) will be removed from their current conditional discharge status and the Department of Education will reinstate my obligation to repay the conditionally discharged loan(s).
3. I acknowledge that neither the previous conditionally discharged loan(s) nor the new loan(s) requested can be discharged in the future on the basis of any present impairment unless that condition substantially deteriorates to the extent that the definition of total and permanent disability is again met.
4. I understand that I must complete Section B of the Loan Discharge Statement each time I request to receive a new loan.
