Introduction

Introducing ‘FLUID’, a new look and feel to our 9.2 Student Information System (SIS). Student navigation through the system is slightly different and includes new terminology like Homepages and Tiles.

Instructions

Logging In - Log in to SIS as usual using the MyReynolds portal and credentials. Click the SIS tile to access the NEW Homepage.

Student Homepage

Three Tiles: SIS - Help & FAQs - Reynolds’ Navigate

1. My Student Information: Directs to your current Student Center page in SIS to access your class schedule, enrollment dates, and payment or Financial Aid information.

2. Help & FAQs: This tile is linked to the VCCS FLUID website which includes helpful tips and other information for the new user interface.

3. Navigate: Links directly to your college’s Navigate system which provides planning and advising tools and other student support resources.

For more tips like these visit http://inside.reynolds.edu/TechTraining
The **Student Center** page now includes a collection of links on the left-hand side of the page. This allows for quick access to common areas that are spread across the screen. [VIDEO](http://inside.reynolds.edu/TechTraining) with more details of Left Navigation.
