George H. Flowers, Jr. Memorial Endowed Scholarship

This scholarship was established in honor of George H. Flowers, Jr. to assist aspiring Engineering students. Mr. Flowers was a man who loved his family, his church and the Richmond community. He believed passionately in education for everyone. After working and serving in the US Army during World War II, Mr. Flowers went on to start two successful businesses. The latter being a waste-to-energy manufacturing business located in Mechanicsville, VA. George Flowers was known for thinking futuristically, studying advanced machines and how to control them.

He was sometimes mildly frustrated by his lack of formal engineering background when confronted with technical problems but would quickly turn such roadblocks into opportunities. Recipients of this award should be enrolled in the transfer AS Engineering program and have completed at least 8 credits of non-developmental courses with a minimum overall GPA of 2.5.

George H. Flowers III Scholarship

George H. Flowers, III was one of Reynolds' greatest teachers and dedicated College family members. This scholarship was established by the Flowers family to advance diversity in the field of Engineering. Those you knew George at all would have known a senior statesmen and true advocate for student learning.

Candidates for this scholarship should be students in good academic standing with demonstrated financial need. Preference is given to students who have immigrated to the United States, or those for whom English is a second language, or students who represent an underserved demographic among STEM majors.

Gibb Family Scholarship

The Gibb Family Scholarship was established by Andrew and Pat Gibb in memory of Andrew's mother Lucy S. Gibb who passed away in 2007. Gifts to this fund are often matched by support from the **Rotary Club of West Richmond**. Lucy worked for the U.S. State Department for many years before her retirement and served in U.S. Embassies in Bangladesh, Turkey and the Philippines. She was a patriot who greatly admired and respected our military and particularly the U.S Marine embassy guards who shielded them from harm's way. In one harrowing example during her tenure in Pakistan, thousands of militants attacked and set fire to the U.S. embassy in Pakistan, leaving 140 Americans in a smoke-filled building. One Marine corporal lost his life defending them, but eventually the group was led to safety. Lucy Gibb always credited the Marines for saving their lives that day. The Gibb Family scholarship is for active or honorably discharged members of our armed forces recognizing their service and sacrifice.

Stuart and Bland Noel Memorial Endowed Scholarship

Stuart and Bland Noel were classic examples of perseverance. They believed in a solid work ethic; they didn't expect to have things handed to them on a silver platter. They believed and taught their children to believe that once you set your mind on something that you believe is worthwhile, you should stay at it until you reach your goal. The Noel's always said, "Don't procrastinate, don't put it off until some other time, do it now if it needs to be done." This scholarship is provided in their memory for students who believe that pursuing education is worthwhile and who are eager to start working to fulfill this goal. The Noel's were not wealthy people, but they always gave to family and friends in times of need. In keeping with their spirit of generosity, this memorial scholarship has been established to assist students residing in Hanover County. Recipients should also be majoring in Early Childhood Development, any Teacher Preparation specialization, Nursing, Automotive or Horticulture and have a grade point average between 2.5 and 3.5.
