Our PROMISE

At Reynolds Community College, our passion is to help you realize your career and life aspirations. We provide an outstanding college experience and support systems engineered for your success.

Developed in partnership with the business community and traditional four-year schools, our programs are grounded in the real world, calibrated to the needs of tomorrow's economy, and attuned to your aspirations.

*As a STEM major, **Khalil** spends a lot of time in Math Central where students receive math coaching. Reynolds is responding to the need to increase math support for students to ensure college success.*

OPTIONS

Kevin is glad he came to Reynolds for his Diesel Mechanics Technology Certificate. He saved thousands of dollars and received the same education, if not better, than other schools he considered. Hands-on learning, as well as a small student-to-faculty ratio helped Kevin get ahead as a diesel mechanic. He's now working a full-time job in a field he loves.

WE PROVIDE THE NUTS AND BOLTS.

Associate Degrees

Completing an associate degree is a major milestone! It can get you started in a career, or give you that sense of accomplishment that inspires you to take the next steps towards a bachelor's or master's degree.

Certificates and Career Studies Certificates

An academic certificate or career studies certificate can provide specific training in a field and lead to immediate employment. While certificates don't take as long to complete as an associate degree, they can serve as a stepping stone to receiving an associate or bachelor's degree. Certificate programs typically take less than two years to complete and career studies certificates may be completed in under a year.

“ I GOT MY START
IN CULINARY ARTS. ”

Renee | 2017 Elby Award winner
Reynolds Culinary Arts AAS
Intern at Performance Food Group

***Renee** is a reverse transfer student who began her studies at Radford University and decided to enroll at Reynolds to combine her love of cooking and the arts. She will graduate with her associate degree in Culinary Arts. Renee is a 2017 Elby Award winner in the category of culinary students. She recently landed a competitive paid internship with Performance Food Group, a local Fortune 500 leader in the food service industry.*

9%

average SALARY for Chefs & Head Cooks in Virginia

\$47,441

the projected **GROWTH** of chefs and head cook employment from 2014 - 2024, faster than the average for all occupations

WE PREPARE YOU FOR YOUR FUTURE.

RVA is a true food destination and demand has skyrocketed for individuals with the skill and passion for cooking. With a credential in culinary or pastry arts, you can expect to be among the most highly sought after graduates in RVA. The job outlook is strong for mid-level culinary professionals – line cooks, sous chefs, pastry artists – with upwards of 3,000 job openings expected annually in Virginia.

Reynolds culinary and pastry programs are expanding and creating new career pathways to keep up with industry demand.

Stackable credentials let you master new skills and systematically apply those toward an associate degree. Internships give you the real-world experience that leads to employment. And, collaborations with our Horticulture Technology program add a sustainable farm-to-table flair to your culinary instruction.

HANDS ON LEARNING.

We are dedicated to providing the best learning environment for you.

Dynamic Libraries

Reynolds is home to modern libraries on each campus that feature robust research databases, the latest computer software, and extraordinary support from a team of librarians. An online 24/7 chat option allows you to connect with a librarian for help during and after hours. Group study rooms, mobile and laptop device checkouts, and research consultations are also featured in these learning hubs. The Goochland Campus features a Seed Library that is used by community members to lend and exchange seeds for gardening.

Library

Computer-Aided Design Labs

The rapidly evolving field of technology has had a dramatic impact on the architectural and engineering professions. Computer-Aided Design (CAD) or Building Information Modeling (BIM) specialists take designs from engineers and architects and convert them into plans needed for construction.

Reynolds has two dedicated CAD labs for students to ensure they graduate with the latest technical skills. The trend is moving towards building actual prototypes you can touch and feel. Reynolds acquired three-dimensional printers to prepare students for this shift.

Nursing SIM Lab

Simulation Lab

When you need emergency hospital care you want to know that your nurse has been trained on the most current medical equipment and healthcare technology. A nursing simulation lab at the Downtown Campus allows nursing students to participate in mock healthcare life or death scenarios. Reynolds nursing faculty are experienced, skilled, and passionate about preparing the next generation of healthcare providers. Our health programs are nationally accredited and graduates earn one of the highest passage rates on the industry exam at nearly 90%.

CAD Technology Lab

Science Labs

Reynolds recognizes the critical need of education and training for the STEM fields and, as a result, has worked to construct five new state-of-the-art science laboratories at our Parham Road Campus.

Our new labs will include both physical and biological science disciplines. Students will have the capability to analyze organic chemical structures, electrophoresis (DNA) patterns, and complete anatomic dissections while learning and experiencing how to use technical-grade equipment. These labs are logistically set up to allow access to research and review rooms.

Johana | NCAS
NASA Community College Aerospace Scholar
Reynolds Mechanical Engineering AS

Johana is a Reynolds engineering major, who received an Honors program scholarship. She was also selected as NASA's Community College Aerospace Scholar (NCAS) to participate in a competitive online program that culminated in a week-long workshop at the Kennedy Space Center.

52%

of Reynolds students receive **GRANTS** or **SCHOLARSHIP AID**

HELP IS AVAILABLE.

Tuition

Reynolds in-state tuition is currently \$162.85* per credit. For example, a three-credit class costs \$488.55. For a student taking a full-time schedule (15 credits), the cost is \$2,442.75 for the semester, which is less than half the cost at an average four-year public college in Virginia.

**For the most current tuition rates, visit reynolds.edu/tuition.*

Scholarships

Reynolds has more than 100 scholarships available. Some are for specific programs of study, while others are general scholarships that generous benefactors have made possible. You only have to apply online once to be considered for all available scholarships. Learn more at reynolds.edu/scholarships.

Financial Aid

The financial aid process doesn't have to be intimidating. Reynolds has advisors to support you so you can maximize your financial aid benefits.

Submit the FAFSA online at www.fafsa.ed.gov. The Reynolds Community College school code is 003759. For the best chance to receive the financial aid for which you are eligible, file the FAFSA before these priority deadlines:

April 15 for the Fall Semester

September 15 for the Spring Semester

February 15 for the Summer Semester

Visit reynolds.edu/financialaid.

YOUR RESOURCES.

Free Tutoring

Faculty and peer tutors provide one-on-one and group sessions. Tutoring is free if you are enrolled in credit courses. Tutors can help you study, define assignments, increase understanding of course materials, and effectively manage your time. Math Central is where you go for math help. For more information, visit reynolds.edu/go/math.

Students of All Abilities

Reynolds provides access to educational opportunities for individuals with disabilities by removing barriers that would otherwise eliminate their ability to participate. Visit reynolds.edu/accommodations.

Math Central Coaching

Campus Safety

At Reynolds, we apply the best practices for safety and emergency management. The Reynolds Department of Police is the first community college police department in Virginia to be fully accredited through the Virginia Law Enforcement Professional Standards Commission.

Campus Tours

Come visit us! A campus tour is an excellent way to find out if Reynolds is the right fit for you.

Visit reynolds.edu/tours to schedule a tour.

Reynolds Police Officers

Orientation

You are required to complete the two-step orientation both online and on campus. Orientation covers everything from academic advising and financial aid to payment plans and where to buy books. Studies show that students who participate in orientation have a more successful college experience. Visit reynolds.edu/orientation.

Advising

Academic advising is designed to assist you in planning your path to graduation. New students are advised when attending SOAR (Student Orientation, Advising, and Registration) on campus.

Free Reynolds Shuttle

Testing Centers

You may be eligible to waive the placement test. Learn how to submit transcripts or test scores to Admissions and Records, and see if you qualify at reynolds.edu/VPTwaiver. See page 20, Step 3 for more information.

EASY STEPS TO GET STARTED

New Students begin with step 1 - Apply. | *Returning students* begin with step 4 - Get Advised.

Apply online at reynolds.edu and receive your Empl ID (student ID) and username. Save this information! You will need both for the next step.

Apply for Financial Aid. Complete the Free Application for Federal Student Aid (FAFSA) to ensure it is received on time. Use the **Reynolds Federal School code: 003759**. Priority deadline is April 15. Visit reynolds.edu/financialaid.

If you receive financial aid, you must apply each year.

Apply online for a Reynolds scholarship between January and April 15. There is one common application to be considered for all available scholarships. Visit reynolds.edu/scholarships.

Get Placed. You may be eligible to waive the placement test. Submit your official transcripts and/or test scores. (Transcripts include college, GED, and high school. Test scores include ACT, AP, CLEP, GED, IB, and SAT.) You may bring these in an officially sealed envelope to any Enrollment Services location at one of our three campuses. Or mail to: Reynolds Community College, Admissions & Records, P.O. Box 85622, Richmond, VA 23285.

If you are required to take the placement test, take it seriously. The placement test determines what, if any, developmental courses you need first. Developmental courses prepare you for college-level math and English. Prepare in advance and visit reynolds.edu/testprep.

1.

3.
**GET
PLACED**

Log on to MyREYNOLDS at reynolds.edu within 24 hours of applying. Use your username to set up your account. Otherwise, your password will expire and you will have to call (804) 371-3000 to reset.

Time-sensitive information is sent to your Reynolds email account and online Student Center. It is important to check these often.

.....
**For questions on advising, admissions and records, financial aid, and veterans services,
contact Enrollment Services | (804) 523-6464**

For financial aid help, call toll-free | 1 (855) 874-6682
.....

J. Sargeant Reynolds Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees and certificates. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of J. Sargeant Reynolds Community College.

New students get advised by completing the required two-step orientation both online and on-campus. Sign up at reynolds.edu/orientation.

Returning students get advised by meeting with an advisor before registering for class.

Students with 0-15 credits, see Enrollment Services for advising. Students with 16 or more credits, see your academic program advisor. To find your advisor, visit reynolds.edu/advising.

If you receive financial aid, you must apply each year. See step 1.

Register for class by logging on to **MyREYNOLDS**. If you register early, you are more likely to get the class you need and schedule you want.

Pay for your class. For the most current tuition and payment due dates, visit reynolds.edu/tuition. Pay online through **MyREYNOLDS** or in-person at any campus Business Office.

Log on to **MyREYNOLDS** to check your financial aid award status. For information about payment plans, refunds, or paying with a scholarship, savings plan, or other third-party sponsor, visit reynolds.edu/businessoffice.

Prepare for Class! View your schedule online in **MyREYNOLDS**. You will need it to get your Reynolds ID and to purchase your books using financial aid. Visit reynolds.edu/bookstore. Attend class in person or online.

Use the tools in **MyREYNOLDS** to track your progress and graduate on time. Learn how to use your online student planner and advising report. For video tutorials, visit reynolds.edu/track.
